

Thank you for all your support throughout 2016

VividIndustrial®

Last week, Vivid Industrial was awarded the 2016 Frost & Sullivan Australia Growth Excellence in Smart Lighting Solutions award.

“This award is a direct result of your support, making daily choices to believe in the organisation and contribute in a meaningful way to its future.”

The award acknowledges Vivid Industrial’s complete turnkey solution for large and growing commercial and industrial client base, delivering:

- verified savings of over 85% of energy costs
- substantial long term performance and savings

Vivid Industrial was also recognised for developing an Australian designed and manufactured product range as well as its “Save&Share” Lighting as a Service (LaaS) revenue model.

The 2015 winner in the Australia Smart Lighting Solutions segment was Phillips. Winners in other categories for 2016 included Telstra, Schneider Electric, Aconex and Catapult.

As a valued supporter of Vivid Industrial, we wanted to take this opportunity to say thank you for your support in 2016 and we look forward to continued success together in 2017.

Thankyou

Sam Marks (Managing Director)
