

Vivid Technology is presenting at the SMART Supply Chain & Logistics Conference – sharing thought leadership around the impact of heat and lighting system longevity.

Vivid Technology Limited (formerly Greenearth Energy) is an Australian-based renewable energy company and we invite you to join us for this year's **Smart Supply Chain and Logistic Conference** at the new International Convention Centre Sydney, at Darling Harbour.

Our Head of Business Development will be presenting on Mar 30, 2017: 2.30 PM – 3.00 PM.

See below for details.

Vivid Technology Speaker for Smart 2017

Samuel Redmond

Head of Business Development at Vivid Technology

Presentation Title:

Heat: Destroying LEDs and ROI: Technology performance and longevity in an increasingly digitised and hot Australian industrial environment

Conference passes are available from www.smartconference.com.au, as well as free entry passes for the exhibition.

Please visit us at <http://www.vividtechnology.com.au/>

We look forward to seeing you there!
